The purpose of this plan is to organize how claims are proposed to be paid and allow users of the plan to easily review the plan for specific items and treatment under the plan. Creditors must exercise their own judgment in deciding whether to accept or oppose the plan. Creditors should read this plan carefully and discuss it with their attorney. Anyone who wishes to oppose any provision of this plan must file with the Court a timely written objection. This plan may be confirmed and become binding without further notice or hearing unless a timely written objection is filed. **Creditors must file a proof of claim with the Court in order to receive distributions under this plan. Absent an objection by the Debtor(s) or other party in interest, the Trustee shall pay claims as filed. Secured claims must have proof of security attached. Creditors claiming a right to interest should state the interest rate on the front page of the proof of claim.**

3. ORDER OF DISTRIBUTION

After confirmation of this plan, funds available for distribution will be paid monthly by the Trustee in the following order: (i) Trustee's authorized percentage fee and/or administrative expenses; (ii) attorney fees as allowed under applicable rules and guidelines; (iii) monthly payments as provided for in Paragraphs 4, 5 and 6; (iv) priority domestic support obligation claims pursuant to 11 U.S.C. §507(a)(1); (v) other priority unsecured claims pursuant to 11 U.S.C. §507(a); and (vi) general unsecured claims. If the Trustee has received insufficient funds from the Debtor to make the monthly payment to secured creditors, the Trustee may use best efforts to pay secured creditors from the funds on deposit with the Trustee on the date of distribution. Should the Debtor's plan payments result in the completion of payments to unsecured and priority creditors while leaving a balance owing to secured creditors, the Trustee is authorized to remove the fixed monthly payment amounts to finish payment to secured creditors on a pro rata basis in order to expedite payment to the secured creditors.
